AT  
ST GEORGE'S GARRISON CHURCH

The Church is a unique and beautiful venue for a wedding for up to 150 guests (seated) or a maximum capacity of 200 guests.

The Church remains consecrated ground therefore it is not possible to hold a civil ceremony here. As a religious venue the Church falls outside the Diocesan framework which means that a full legal and religious marriage can only take place with an Archbishop's Licence.

What some couples prefer to do is to have the legal formalities dealt with at Woolwich Town Hall and then have a Service of Blessing at the Church afterwards. That is effectively indistinguishable from a conventional Church wedding with the vows, and the public declaration that the couple are now "man and wife".

One great advantage of the Garrison Church as a wedding venue is that the Service of Blessing and the reception can take place at the same place. Once the main gates are shut, guests can be fully at ease in the knowledge that the Church is fully secure, and there is no danger of children wandering toward the road.

We urge any couples thinking of hiring the Church for a wedding to come and visit the place and see for themselves what an extraordinary venue it is. We feel that the Church offers a beautiful location for such an important occasion, and that guests will long remember the day.

We welcome all different sizes and types of wedding.

AT

ST GEORGE'S GARRISON CHURCH

## Hire Charge

The hire charge for a full day for a wedding is £600. That entitles you to the use of the Church for the whole day (usually 11am to 11pm) together with the use of the kitchen.

## Car Parking

This is possible on the land adjacent to the Church on the south side or at weekends in Woolwich New Road just below the Church.

## Marquees

We have a preferred supplier for marquees, Magic Marquees in Woolwich. Their range of products good and they are competitive in their pricing. They can also provide tables/chairs etc.

## Catering

We can recommend caterers, however you are under no obligation to use our preferred suppliers. The kitchen in the church is small and the south porch probably provides a better place from which to organise a larger catering operation.

Once we confirm availability on your requested date, we require you to complete and sign a Hire Agreement and make a deposit payment to secure your booking. If you would like to read through the Hire Agreement and terms and conditions, a copy is available on request.
